Message From The Organising Committee

Dr. Vidhyadharan Sivakumar
Chairman,
Organising Committee

Dear All,

It gives us immense pleasure to invite you for the **Mid Term Phonocon 2022** which will be held on the 1st of October, 2022 for a one day physical meeting. It will be available on virtual platform also for all registered delegates. It is an opportunity to catch up with like-minded colleagues and friends, physically in person after the Covid restrictions over the past years. Laryngology is a specialised field of medicine focused on multidisciplinary treatment of voice, airway and swallowing disorders to improve patient's lives.

The Association of Phono surgeons of India (APSI), is society of Otorhinolaryngologists with special interest in Laryngology. The association has been continually promoting the nuances of laryngology and encouraging its members every year with their national conferences, mid-term conferences and workshops. With over 20 innovative and dynamic speakers and experts sharing their distilled wisdom and insights, we are confident that the Mid Term Phonocon 2022 meeting will continue the tradition of past meetings. It will be jointly organised by the by APSI and The Head And Neck Centre & Hospital, Chennai.

The academic talks of the conference is a blend of basics with some advances in laryngology which should interest not only the novice laryngologist but also the established laryngologist. Our International and National speakers are well known for their expertise in Laryngology. We will also be inaugurating the Tamil Nadu Branch of APSI. This upcoming physical meeting is a wonderful opportunity for ENT specialists, Laryngologists, Speech Pathologist, Respiratory and Anaesthetic colleagues, Scientists and Researchers interested in voice, airway and swallowing management to learn and interact with our gathering of international & national speakers. We welcome you all!
