Dear Colleagues,

We cordially invite you to our 16th Phonosurgery course and second International Webinar based Phonosurgery workshop on 11th September 2022 at Sri Sathya Sai Institute of ENT and Melody Voice Clinic, Guntur., A.P., India. Our previous two Webinar based Phonosurgery courses in the 2020 and 2021 were well appreciated and attended by more than 800 delegates. Another interesting aspect is this Course is second scientific event to be organized in association with India Chapter of Voice Foundation (USA) from India. Sri Sathya Sai Institute of ENT and Melody Voice Clinic, Guntur., A.P. is the first center in India to initiate Office based Transnasal flexible endoscopic Laryngeal Surgeries in 2005. In addition to academic feast by eminent National and International Faculty, Webinar based Live Surgery Demo on Office Based Laryngeal Surgeries for the 1st time in India will be a special feature in this workshop.

The course is totally free. With all our sincere efforts and your co-operation we hope we can make this Course a memorable scientific event. Looking forward for your gracious participation.
